

B'NAI MITZVAH PLANNING GUIDE

*Mitzvah
Torah*

The image features the words "Mitzvah" and "Torah" written in a highly decorative, cursive calligraphic font. The letters are thick and black, with many flourishes and loops. A small, solid black Star of David is positioned at the bottom right of the word "Torah". The entire graphic is set against a white background.

Mazel Tov!

The big day for your child's bar or bat mitzvah will soon take place. For your family, this will be a special event not soon forgotten.

If this will be your first child celebrating this rite of passage, you may have many things to accomplish before reaching this milestone.

If you are celebrating for a second or third time, then you will want to make the occasion special and unique for this child.

Let Sisterhood give you a hand in planning your *simcha*.

Kippot– Place an order through the Judaica Shop no less than six weeks before the event. We can show you an assortment of styles and color.

Tallit– We carry a wide array of *tallitot*. If your family does not like what we have in stock, we have catalogues from which you and your child may make a selection .

Gifts– Invited to the bar or bat mitzvah of a relative or friend? Browse through our selection of ritual objects including, *Kiddush* cups, *yads*, *kippot* and more. Special orders may be placed with at least a month's notice.

Bima Flowers– You may provide a lovely pulpit arrangement with a donation of \$100 to the Sisterhood Floral Fund.

Oneg Shabbat– Sisterhood will make your simcha all the more special with the flavor of cake your child loves. Sponsor the *oneg* for \$200.
